

Where is my Course Certificate?

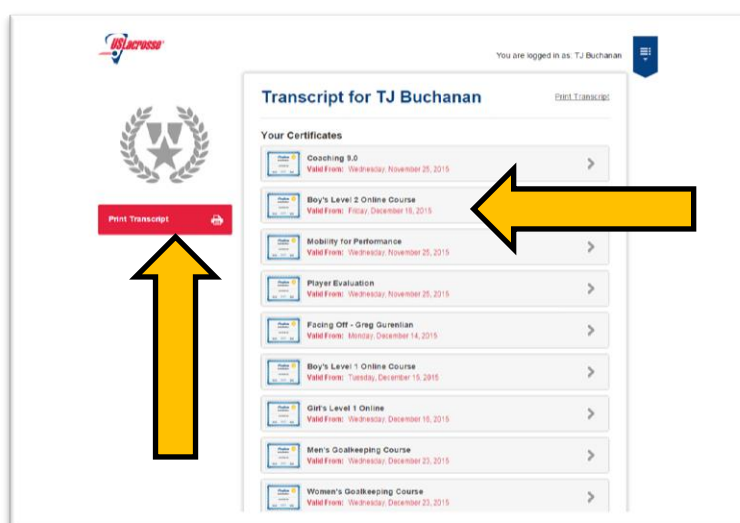

Upon completing a course, you will be awarded a Certificate of Completion. You can view and print it immediately by clicking on the **Certificate** button on the screen that appears after you exit the course.

At any time you can view your other course certificates by clicking on the blue drop down menu, then clicking on **Transcript**.

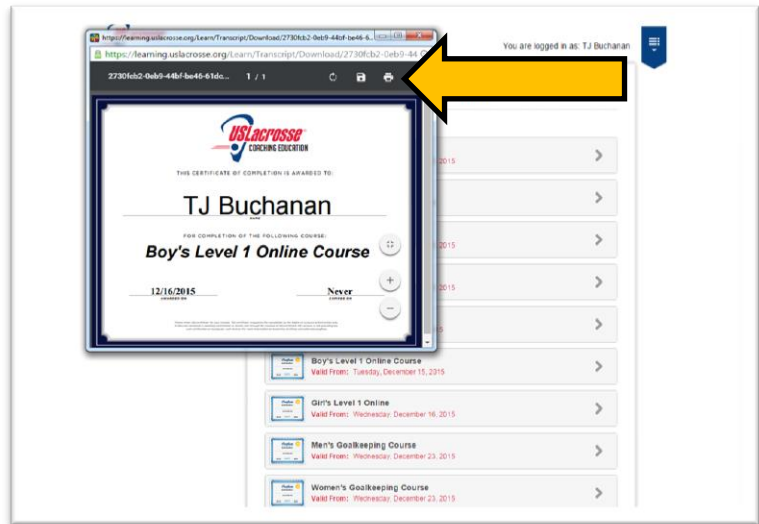

Click on any of the Certificates that are available for courses you completed. You may also print a Transcript of all your course completions by clicking on the **Print Transcript** button.

Where is my Course Certificate?

To print or save your open certificate, hover the mouse cursor over the certificate and click on the corresponding icon.
